**Professor of Economics and Director, Free Enterprise Center
Concordia University Wisconsin
Mequon, WI
August 2021 to present**

Teach economics courses at the undergraduate, masters, and doctoral levels. Responsible for the overall management and leadership of the Free Enterprise Center which conducts scholarly and public policy-based research, organizes speaker and seminar series, offers programs for university students, publishes a student-led liberty and economics journal, presents economic education programs for K-12 teachers, and develops economics-based workshops for a variety of groups; including, journalists, clergy, and healthcare professionals. Direct Center fundraising, marketing, promotion, event planning, budgeting, and outreach activities. Supervise Center staff.

**Senior Vice President for Advancement and Cooperative Education
Lakeland University
Plymouth, WI
October 2019 to July 2021**

- Reported to the President of the University and focused on all areas of revenue generation for the institution.
- Responsible for leadership of the university's traditional recruitment and admissions, career development, financial aid, student-run business and economic development functions.
- Managed university advancement, fundraising, alumni and church relations functions.
- Led cooperative education and career development programs, staff and initiatives.
- Developed and managed relationships between key employer partners of university.
- Founded Launch, a student-run business program.
- Developed and led university revenue-generating initiatives (Develop U) to offer professional workshops and training for local employers.
- Led university economic development activities, including the development of a business park on university-owned land.
- Worked with local economic development agencies to position University for future growth and expansion.

**Dean, J. Garland Schilcutt School of Business & Entrepreneurship
Lakeland University
Plymouth, WI
August 2016 to January 2020**

- Founding Dean following organizational change from college to university.
- Reported to Provost and led School serving more than 1,500 traditional and evening, weekend and online students.
- Programmed and scheduled School course offerings.
- Managed School academic assessment program.
- Led accreditation activities related to business programs.
- Supervised and evaluated full-time and adjunct faculty and staff in the School.
- Promoted and advanced professional development opportunities for School faculty and staff.
- Led Board of Advocates advisory group of key executive-level business partners.
- Supported advancement initiatives related to the School.
- Championed development of new cooperative education program within the School and across university.
- Created and managed the School budget.
- Guided strategic planning process for the School.
- Developed and managed study abroad partnerships for School (London, Dublin, Luxembourg).
- Represented institution on Chamber of Commerce, Rotary Club, Economic Development Corporation and other community committees and task forces.
- Developed Academy for Aspiring Entrepreneurs, a summer program for high school students presented by the School.
- Hosted business-related convocations and speakers for the benefit of our students, faculty and staff and the area business community.
